**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a small rural community, and local internet service is vital to us. Small business is the backbone of our community, and I oppose the take over or large corporations for our service. Competition is good in all forms of business! Local providers, and preferably more than one or two, are good for everyone.
